A WELCOME TO APPLICANTS

Thank you for your interest in working for the YMCA. If you are an internal applicant you will already be familiar with the distinctive nature of the YMCA and its work. External applicants may not be aware that YMCAs are Christian charities belonging to a national and international Movement. The YMCA offers opportunities to young people and their communities to develop in mind, body and spirit and so help to fulfil their potential. It aims to reflect this holistic approach in the way it recognises the value of each individual staff member and enables them to make their unique contribution to the organisation's mission.

In England, the YMCA comprises some 160 different Associations found in most cities and towns, each of which operates as a separately registered charity. These YMCAs are often working with people at times of greatest need. Worldwide, the Movement has over 30 million members in some 125 countries. The evolution of each YMCA is influenced by local factors. But generally YMCAs aim to:

- Facilitate personal, social and spiritual development – through life and job skills training and a wide range of other opportunities for personal growth and challenge.
- Build relationships and provide programmes that support young people's transition to adulthood.
- Develop communities through the provision of supported housing, community activities and sport, exercise and fitness programmes for all ages.
- Share ideas and resources across the world as part of an international YMCA network.

The YMCA values diversity and welcomes applications from across all of the community. Diversity is reflected strongly among those who participate in YMCA activities and use its facilities. Our housing residents, for instance, come from many nations and backgrounds; the YMCA provides accommodation and training facilities for both men and women; our health and fitness suites have been successful in offering customised programmes for people with disabilities; and the range of activities involves people of all ages. We are also committed to ensuring that diversity is reflected strongly within our Board of Management, volunteer and employee structures. This includes a commitment to keep our practices under review, leading to action where necessary, in order to attract new people from all sections of the community.

Inclusiveness is fundamental to the ethos of the YMCA as a Christian organisation. It is expressed in a wholehearted commitment to welcome people of other faiths and those of none, linked to a confident identity as a Christian faith-based Movement. In order to promote the Christian ethos of the YMCA it is important that certain posts are filled by committed Christians. If the advertisement/job details for the position for which you are applying states that you are required to have a personal commitment to the Christian faith, the information you supply in the 'Religious Beliefs' section of your application will be taken into account in the selection process. If this is not the case, whilst you will be expected to respect the Christian ethos of the YMCA and uphold its values in your work, you are not required to complete the 'Religious Beliefs' section. The values to be upheld include: being inclusive and welcoming to people of all religious faiths and none; promoting respect and freedom for all; working for tolerance and understanding; having an active care and concern for the community; and affirming the equal value of each person when caring for and working with others.

Thank you again for your interest in working for the YMCA. We look forward to receiving your application.

ADDITIONAL INFORMATION - DECLARATION OF CRIMINAL BACKGROUND INFORMATION

The Rehabilitation of Offenders Act 1974 sets out to help people who have been convicted of a criminal offence and have not been convicted again in a specified period. This period is known as a rehabilitation period. Once a rehabilitation period has expired and no further offending has taken place, a conviction is considered to be 'spent'. Once a conviction is spent, the convicted person does not have to reveal it or admit its existence in most circumstances.

The Rehabilitation of Offenders Act 1974 [Exceptions Order] gives some **exemptions** from the Act, whereby details of 'spent' convictions have to be declared. One of these exemptions is working with children, young people* and/or vulnerable adults. When recruiting people to work in such positions of trust an employer is entitled to ask for details of all convictions, spent and 'unspent'.

If you are invited to interview you will be required to complete and bring with you a 'Declaration of Criminal Background Information' form. This form will be sent to you with the interview invitation and will require you to give details of any unspent convictions.

If the post for which you are applying involves working with children, young people* and/or vulnerable adults, you will ALSO be required to give all details of any criminal record including 'spent' and 'unspent' convictions. Your application pack includes 'Additional Guidelines for Applicants for Positions which involve Working with Children, Young People* and/or Vulnerable Adults'.

The information provided will only be seen by the interview panel if we are considering offering you employment. Declaration of a conviction will not necessarily mean disqualification from appointment. Criminal records will be taken into account only when they are relevant to the post for which you are applying.

IF YOU ARE INTERESTED IN APPLYING PLEASE RETURN THE APPLICATION FORM AND MONITORING FORM

- by the closing date shown in the advertisement or in the accompanying letter
- to the address as stated in the accompanying letter.

Following shortlisting you will be notified of the outcome of your application.

IF YOU ARE SHORTLISTED YOU WILL BE INVITED FOR INTERVIEW

You should bring with you a completed 'Declaration of Criminal Background Information' form.

If the post for which you are applying involves working with children, young people* and/or vulnerable adults, your application pack includes 'Additional Guidelines for Applicants for Positions which involve Working with Children, Young People* and/or Vulnerable Adults'. Please follow the instructions in these guidelines.

IF YOU ARE MADE AN OFFER OF EMPLOYMENT WITH THE YMCA

you will be required to

- consent to references being taken up
- complete a medical questionnaire and if necessary undergo a medical examination
- demonstrate, by producing approved documentation, that you are entitled to work in the UK.

This is because, as an employer, we will be committing a criminal offence if we employ a person who is not entitled to work in the UK. We will advise you on which documents are approved documentation.

if the post for which you are applying involves working with children, young people* and/or vulnerable adults, you will be required to apply for a higher level Disclosure. Please refer to the 'Additional Guidelines for Applicants for Positions which involve Working with Children, Young People* and/or Vulnerable Adults included in this application pack.

*young people are those under 18 years of age

YMCA BRADFORD POLICY STATEMENT ON THE RECRUITMENT OF EX-OFFENDERS

We actively promote equality of opportunity for all with the right mix of talent, skills and potential and welcome applications from a wide range of candidates.

The YMCA undertakes not to discriminate unfairly against any applicant on the basis of a criminal record or other information revealed. Criminal records and other information will be taken into account for recruitment purposes only when they are relevant. We select all candidates for interview based on their skills, qualifications and experience.

We ask all applicants called for interview to provide details of their criminal record. Depending on the nature of the position applied for, the YMCA may request details of your entire criminal record or only of 'unspent' convictions as defined in the Rehabilitation of Offenders Act 1974.

We request that this information is sent under separate, confidential cover to a designated person within the YMCA and we guarantee that this information is only seen by those who need to see it as part of the recruitment process. We would point out that, for the successful candidate, this information will be verified by requesting a Disclosure statement* from the Disclosure and Barring Service (DBS) before the appointment is confirmed.

Failure to reveal information that is relevant to the position sought could lead to withdrawal of an offer of employment or subsequent dismissal.

We ensure that all those in the YMCA who are involved in the recruitment process have been suitably trained to identify and assess the relevance and circumstances of offences. We also ensure that they have received appropriate guidance and training in the relevant legislation relating to the employment of ex-offenders e.g., the Rehabilitation of Offenders Act 1974.

At interview, or in a separate discussion, we ensure that an open and measured discussion takes place on the subject of any offences or other matters that might be relevant to the position.

For those positions where a Disclosure* is required, application forms and guide notes will contain a statement that a Disclosure will be requested in the event of the candidate being made a conditional offer of employment. We undertake to discuss any matter revealed in a Disclosure with the person seeking the position before withdrawing a conditional offer of employment.

Having a criminal record will not necessarily bar you from working with us. This will depend on the nature of the position and the circumstances and background of any offences. However, we should make it clear that as the nature of the YMCA's work brings its workers into contact with children, young people** and/or vulnerable adults a criminal record or other information which makes the application unacceptable for a position of trust will render the applicant unsuitable.

As an organisation using the Disclosure and Barring Service [DBS] to assess applicants' suitability for positions of trust, this policy complies with the CRB Code of Practice.

** Applicants for certain positions who are made a conditional offer of employment will be subject to a criminal record check – known as Disclosure - from the Disclosure and Barring Service (DBA) before the appointment is confirmed This will include details of cautions, reprimands or final warnings, as well as convictions. ** young people are those under 18 years of age*

ADDITIONAL GUIDELINES FOR APPLICANTS FOR POSITIONS WHICH INVOLVE WORKING WITH CHILDREN, YOUNG PEOPLE* AND/OR VULNERABLE ADULTS

The post for which you are applying will bring you into direct contact with children, young people* and/or vulnerable adults. During our recruitment procedure we take steps to assess an applicant's suitability for such a position of trust. It is important that you understand the nature of the checks that we will make and when we will make them.

The Rehabilitation of Offenders Act 1974 sets out to help people who have been convicted of a criminal offence and have not been convicted again in a specified period. This period is known as a rehabilitation period. Once a rehabilitation period has expired and no further offending has taken place, a conviction is considered to be 'spent'. Once a conviction is spent, the convicted person does not have to reveal it or admit its existence in most circumstances.

The Rehabilitation of Offenders Act 1974 [Exceptions Order] gives some **exemptions** from the Act, whereby details of 'spent' convictions have to be declared. One of these exemptions is working with children, young people* and/or vulnerable adults. When recruiting people to work in such positions of trust an employer is entitled to ask for details of all convictions, spent and 'unspent'.

If we ask you to come for an interview please bring the following with you

- **a completed Declaration of Criminal Background Form**

this form will be enclosed with the letter inviting you to interview. It asks for details of spent and unspent convictions, cautions, reprimands and final warnings. You should complete the form and place it in an envelope marked 'Private and Confidential', addressed to the Interview Panel. Your name should be clearly stated on the front.

- **proof of identity**

we require one form of photographic identification [e.g. a passport or new form of driving license] and two addressed items such as a recent utility bill, recent bank statement, current Council Tax bill. If this is a problem please contact us.

The information relating to criminal convictions will only be seen by the interview panel if we are considering offering you employment. If you wish to discuss the information that you have given, please mention this to an interviewer. Having made its selection, the panel may wish to discuss any information given with you. Having a conviction will not necessarily bar you from consideration for the post. Criminal records will be taken into account only when they are relevant to the position for which you are applying. Our policy on the recruitment of ex-offenders is given overleaf.

If you are made a conditional offer you must apply for a higher level Disclosure statement from the Disclosure service. We will tell you how to go about this.

The Disclosure service offers organisations a means to check the background of job applicants to ensure that they do not have a history that would make them unsuitable for the post. Disclosure statements are provided by the Disclosure and Barring Service (DBS), an executive agency of the Home Office. Higher level disclosure statements provide details of a person's criminal record including convictions, cautions, reprimands and warnings; they also contain details from lists held by Government departments of those considered unsuitable for this type of work. Organisations using the Disclosure system must comply with a Code of Practice, a copy of which is available on request. If you require further information about Disclosure you can visit the website www.disclosure.gov.uk
